Infection and Insect Bites Dangerous.

Mosquitoes, flies and other insects, which breed quickly in garbage pails, ponds of stagnant water, barns, musty places, etc., are carriers of disease. Every time they bite you, they inject poison into your system from which some dread disease may result. Get a bottle of Sloan's Liniment. It is antiseptic and a few drops will neutralize the infection caused by insect bites or rusty nails. Sloan's Liniment disinfects cuts, bruises and sores.
